For West Bengal Electrical Licensing Board

Conditions

1. All electrical installation work coming within the purview of Regulation 31 (1) & 3(3) of the Central Electricity Authority (Measures relating to Safety and Electric supply) Regulations, 2023, as amended, undertaken by the holder of this license shall be carried out under the direct supervision of a person holding a valid certificate of competency and at least 50 percent of the electrical workmen employed on any such work shall be in possession of valid permits issued under Rules 25 & 17 of these Rules.
2. The holder of this license shall maintain a register of supervisors and workmen in the form below and shall produce the register for inspection on demand by an Electric Inspector or other person authorized in this behalf by the Licensing Board.
3. Every contract for electrical installation work coming within the purview of Regulation 31 (1) of the Central Electricity Authority (Measures relating to Safety and Electric supply) Regulations, 2023, as amended, undertaken by the holder of this license shall be in writing and he shall be held responsible for the suitability of materials used. Before commencing any work the value of which exceeds Rs.20000/- inclusive of cost of materials and labour charges, he shall notify the Secretary.
4. On the completion of any electrical installation work coming within the purview of Regulation 31 (1) of the Central Electricity Authority (Measures relating to Safety and Electric supply) Regulations, 2023, as amended, a test report in the form prescribed by the Board shall be submitted by the holder of this license to the Secretary. The report shall be signed by the supervisor under whose supervision the work has been carried out, and countersigned by the holder of this license who shall be wholly responsible for the due execution of the work.
5. If the holder of this license ceases to be in possession of a valid supervisor's certificate of competency, or ceases to retain in his sole employ at least one supervisor holding a valid certificate of competency, this license shall be invalid and if within one month of the license becoming so invalid the certificate of competency concerned is not revalidated or at least one supervisor holding a valid certificate of competency is not engaged, the license shall be deemed to have been cancelled and the holder shall return the same to the Secretary for cancellation.
6. If the holder of this license accepts employment under any other firm or person for the purpose of carrying out or supervising any electrical installation work coming within the purview of Regulation 31 (1) of the Central Electricity Authority (Measures relating to Safety and Electric supply) Regulations, 2023, as amended, this license shall be invalid and the holder shall return the same to the Secretary for cancellation.
7. This license shall be invalid if the holder thereof ceases to have in his possession the instruments necessary for carrying out the tests prescribed for the class or classes of work upon which he is engaged.
8. The holder of this license shall send intimation to the Secretary of the Licensing Board in writing within the periods specified below as to every change of – (1) address of the place of business within two months of such change; (2) proprietor within seven days of such change; or (3) agent or manager (in case of a limited company) within seven days of such change and shall also send similar intimation as to dissolution of partnership within seven days of the date of such dissolution.
